## CAMELLINE

## PRESERVING AND BEAUTIFYING THE COMPLEXION.

Originally a California discovery, CAMELLINE has, wherever known, rapidly superseded the "Creams," "Balmes," "Blossoms" and Powders, for the reason that in place of the unnatural results obtained, it imparts to the complexion that youthful and glowing appearance so much desired and admired, and, unlike them, when properly used, the closest inspection fails to reveal any application, yet all traces of sallowness and other cutaneous defects are removed, and the complexion that softness and purity of color so rarely possessed by adults, but so valued by every lady, and so quickly missed by observers of sterner mind.

It is an evidence of the increasing intelligence of the times, that the popularity of CAMELLINE is not due solely to its elegance and efficiency, but in part to the fact that it is the only preparation for the complexion which is harmless, and commands scientific approval from physicians. It is now generally known that cosmetics usually contain lead, mercury and other poisons, which ruin the complexion, and, being absorbed through the skin, frequently produce "poison," etc., while the medical journals report many serious and several fatal cases of poisoning from these sources. No lady, therefore, can safely continue the use of any cosmetic without the sanction of the medical profession; we therefore publish the following certificate from a large number of prominent physicians:

"The undersigned physicians of San Francisco are familiar with the composition of the principal articles used for the complexion, and certify that CAMELLINE is harmless and free from all noxious or poisonous substances:

"H. H. Toland, M. D., Dean Toland Medical College; George F. Cooper, M. D., Medical Director U. S. A.; J. C. Sherr, M. D., Member Board of Health; Isaac S. Titus, M. D., Surgeon, Physician City and County of San Francisco; M. D., Health Officer; L. C. Lane, M. D., R. A. McLean, M. D., Chas. B. Brigham, M. D., Beni J. Dean, M. D., Henry Gibson, Jr., M. D., J. F. Clark, M. D., W. H. Bruner, M. D., A. M. Loryea, M. D., Cephas J. Hart, M. D., Harry L. Simms, M. D., J. H. Stallard, M. D., Charles McQuesten, M. D., Chas. C. Keeney, M. D., A. M. Wilder, M. D., Geo. H. Powers, M. D., Benj. R. Swan, M. D., R. L. Daw, M. D., Jas. W. Keacey, M. D., Gustav Holland, M. D., Samuel W. Dennis, M. D., M. McNally, M. D., James O. Shafter, M. D., Wm. Carman, M. D., Washington Ayer, M. D., Thomas Bennett, M. D., Wm. Hammond, M. D., W. F. McNutt, M. D., A. J. Bowie, M. D., A. H. Hildan, M. D., J. Rose, M. D., J. D. Wilkney, M. D., Thomas Boyson, M. D., R. C. Kenyon, M. D., Thomas Price, M. D., H. Gibbons, M. D."

Office of GALE & BLOCK, Druggists, Chicago.  
Being our policy to be always watchful for any improvement which may be of value to our patients, we now take pleasure in adding our testimony to the merits of CAMELLINE for Preserving and Beautifying the complexion. CAMELLINE, as prepared by WAKELEE & CO., the principal Chemists of San Francisco, was observed by our senior partner while recently in California. It is the only liquid for the complexion, having the sanction of the medical profession as harmless, while it is surprisingly effective for the purpose intended.

Faithfully yours,  
GALE & BLOCK,  
126 North Clark Street, cor. Ohio,  
44 & 46 Monroe Street, (Palmer House),  
111 Randolph Street.

New York: CASWELL, MASSY & CO., Chemists and Druggists, New York, R. I.  
Broadway, 575 Fifth Avenue, 322 Duane Street, Bellevue Avenue.  
It is well known that many who consider the liquid preparations for the complexion to be more reliable than the powders, are deterred from using the former by the fear that all contain lead, mercury or some other poison.

CAMELLINE, for the complexion, prepared by Messrs. Wakelee & Co., the leading Chemists of San Francisco, is the only article for the complexion which is at once efficacious, and is certified by the medical and chemical authority to be harmless and free from poison.

We therefore take pleasure in stating that we now keep the CAMELLINE in stock, convinced that it is the favor it has obtained, never known.

While we consider this high scientific testimony to be of the first importance, yet did we also consider the names of many distinguished ladies in the dramatic profession who testify to the superiority of CAMELLINE.

Emma Nevada, Estella Gerster, Adelina Patti,  
Mary Anderson, Mrs. Scott Siddons, Clara Louise Kellogg,  
Fanny Janauschek, Alice Oates, Sarah Jewett,  
Fanny Davenport, Jessie Vokes, And Others.

Messrs. WAKELER & CO.—Gentlemen:—Madame Patti desires to transmit her warmest thanks for your present of CAMELLINE, of which she had heard from many lady friends. She will have to repeat the praise of your CAMELLINE to all sides.  
Madame Patti also desires to send you her best compliments.

We have, in addition, in our possession, many letters from well known society ladies, all of whom testify to the merits of CAMELLINE; but these may well be omitted, as a brief and ready necessary to convince.

## DIRECTIONS.

For the COMPLEXION.—Select either the flesh colored or white Camelline, as preferred, and when well shaking the bottle, apply uniformly to the skin with a soft piece of linen or a small brush, gently rubbing it till dry.

For the SKIN.—Apply twice a day until relieved.
